# Pole Docks

## Leisure Series

Our Leisure Series Pole Dock is a dock kit built to professional standards. Each dock is precision crafted from marine grade aluminum and stainless steel fasteners to create an ideal strength-to-weight ratio. It is easy to set up each year and strong enough to last a lifetime. Each frame kit is boxed for ease of shipping and assembles in under an hour so you'll be enjoying your new dock on the first day! Each system is easily reconfigured and expanded to suit the changing needs of your family so you can start small this year and expand as your needs change. Start your project today!
